Style

Independence and objectivity - we have no relationships with any major product or service providers. In every assignment, the objective is to reach early, practical outcomes that ensure win/win results. We have a long history of successful solution delivery for our valued clients. Participants in all projects are treated with respect and integrity. The firm adheres to the CMC Code of Ethics. There is no “hard sell” and Gilmore & Associates seeks only to develop long-term relationships of mutual benefit.
